

Project Name and Location:	CFSB Paducah Branch – New Facility
Name & Address of Owner/Contractor:	Community Financial Services Bank P O Box 467 – Benton, Marshall, Kentucky
<p>This project included the alterations and addition to an existing building for the Paducah Branch of CFSB. The site required some additional excavation and backfill to prepare the site for building. Selective demolition of the existing facility was also required. The new building was constructed of structural steel with masonry exterior and standing seam metal roofing, to achieve the same appearance as similar facilities previously constructed for CFSB in Calvert City and Benton KY.</p> <p><i>Approximate Square Footage</i> 988 Addition</p> <p><i>Total Contract Amount</i> \$1,306,191</p> <p><i>Project Completion</i> 2006</p> <div style="display: flex; justify-content: space-around;">   </div>
